About the Owner

Sandra Agazzi Chimenti, M.Ed., is an author, musician, empowerment presenter, parent, and educator with a master's degree in Early Childhood Education. She is the host and producer of the new cable show "Discover Your Power to Succeed!"

Through her empowering books and original music, she inspires you to live your truth, love your life, and embrace each new day with positive affirmations like, "I now honor the *real me*."

About the Book

Did you know that your thoughts create your reality? Positive or negative, what you believe is what you see. To create happiness and success, you must first process any negative emotions. As you discover the theme of your emotions, a new level of healing begins. This "Awakening Process" teaches you to respond versus react.

The Real Me is an invitation to awaken to your true self — LOVE. Featuring the "Seven Aspects of Spiritual Awakening," *The Real Me* is filled with positive affirmations, prayer meditations, writing exercises, resources, spiritually empowering ceremonies, and more. Let *The Real Me* guide you in creating the life you truly deserve to give your *real self*.
